Basic information about the company

- Japanese chain serving udon and tempura.
- Entered Indonesia in 2012 via PT Sriboga Marugame Indonesia.
- Expanded to 137+ outlets plus 2 sub-franchises (Brunei, Juanda Airport).
- Promotes sustainability through ethical sourcing, education, community, and environment.

Which is the innovation?

Marugame Udon Indonesia's innovation is its integration of sustainability into every part of the business. By aligning operations with the SDGs creating jobs, promoting education and gender equality, reducing waste, and supporting ethical farming, it turns a restaurant chain into a model of responsible growth that benefits people, communities, and the environment.

8 DECENT WORK AND ECONOMIC GROWTH
BY OPENING NEW OUTLETS NEARLY EVERY MONTH, MARUGAME CREATES CONSISTENT EMPLOYMENT FOR LOCAL COMMUNITIES, WELCOMING BOTH UNIVERSITY AND HIGH-SCHOOL GRADUATES.

1 NO POVERTY
THIS INCLUSIVITY SUPPORTS LOCAL ECONOMIES AND HELPS REDUCE POVERTY THROUGH STEADY JOB CREATION.

5 GENDER EQUALITY
MARUGAME PROMOTES WOMEN TO LEADERSHIP ROLES, APPOINTING TWO FEMALE AREA MANAGERS AND SHOWING ITS COMMITMENT TO EQUAL OPPORTUNITY AND GENDER EQUALITY IN INDONESIA'S F&B SECTOR

4 QUALITY EDUCATION
THE COMPANY OFFERS INTERNAL TRAINING AND MBA SCHOLARSHIPS, HELPING EMPLOYEES AT ALL LEVELS DEVELOP AND ADVANCE PROFESSIONALLY.

11 SUSTAINABLE CITIES AND COMMUNITIES
SHIFT FROM PLASTIC TO PAPER-BASED TAKEAWAY PACKAGING DURING THE COVID-19 PANDEMIC TO REDUCE URBAN WASTE.

12 RESPONSIBLE CONSUMPTION AND PRODUCTION
DEVELOPMENT OF BIODEGRADABLE SPOONS FROM LEFTOVER COOKING OIL (PHA POLYMER), FULLY COMPOSTABLE AND ECO-FRIENDLY.

15 LIFE ON LAND
MARUGAME PROMOTES SUSTAINABLE FARMING AND ANIMAL WELFARE THROUGH RESPONSIBLE CROP CULTIVATION AND CAGE-FREE EGG PRODUCTION.

17 PARTNERSHIPS FOR THE GOALS
THROUGH COLLABORATIONS WITH LOCAL FARMERS AND PRODUCERS, MARUGAME STRENGTHENS SUSTAINABLE SUPPLY CHAINS AND FOSTERS SHARED GROWTH WITHIN INDONESIA'S AGRICULTURAL COMMUNITIES.

How it benefits the society?

- Creating jobs
- Providing education and career growth
- Promoting gender equality
- Empowering local communities.
- Supports fair employment
- Fostering inclusion in Indonesia's food and beverage industry

How it benefits the environment?

Reducing plastic waste through sustainable packaging, developing biodegradable materials, and supporting responsible farming. Its initiatives promote eco-friendly production, animal welfare, and sustainable resource use across the supply chain.

"We didn't start with a big sustainability plan, it came naturally from our values."
- Andrias Chandra, Director, Marugame Udon Indonesia
